## Camp 1:27 Recap from Camp Director, Raquel

*"And it is my prayer that your love may abound more and more, with knowledge and all discernment, so that you may approve what is excellent, and so be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ, to the glory and praise of God." — Philippians 1:9-11*

We saw God work in the hearts of so many campers and staff alike as we were confronted with the brokenness of this world. Sharing the Gospel with children from tough places, there is no room for gray areas in your message or behavior, they watched us so closely all summer! Many asked very tough questions about God and life, family and why things happen, and while we will not see the fruit of every seed planted, I pray that they will continue to grow and that the Gospel will take root in the heart of every single one of our campers. Most of all I pray that they will know that God is trustworthy and able to save them!

We had 157 campers this summer, in our 10th year! We were able to use the new ropes course all summer, and the campers loved it! The new disc golf course was also a hit, especially our middle school week! Of course, the kids all loved the pools and swimming, we are hoping to have the pond ready to use by next summer, keep an eye out for fundraisers and work days related to the pond!! We have so many ideas and would love to have more camps all year, let us know what kinds of camps you would like to see!

We are so thankful to each and every person who contributed to camp this summer! Thank you to Mulberry Baptist Church VBS who raised money and donated a brand new Bible to every single camper, many of which did not own their own Bible! Also thank you to all of those who came and preached the sermons to our campers and did music for our services, we are so grateful for you! Thank you to Lomax Assembly who made our bonfires fun and donated so much toilet paper and other items!! Thank you to the countless people who donated grocery items, crafts, and so many other things to make camp possible! We could not have done it without you!

Continue to pray for our staff as they have to go back to "normal", returning or starting college for the first time, or even back to high school for our junior counselors. Pray that they will continue to minister no matter where they are, and that the love of Christ will compel them to continue sharing the good news of the Gospel.
