Living the Gospel by Loving the Fatherless.

Dear Friends,

We are so grateful for your continued support of Raleigh's Place. Because of your generosity, this summer was nothing short of life-changing for the children we serve.

Camp 1:27 — A Summer to Remember

This summer, 110 foster or adopted children experienced the joy, safety, and love of Camp 1:27. Many arrived anxious or unsure, but left with full hearts, new friendships, and a deepened sense of belonging.

So many great memories were made! From staff drinking way too many cans of Mountain Dew to a camper doing a surprise standing backflip at a dance party, the moments of fun were plenty! God was faithful this summer, and many gospel conversations were had amid the craziness of the weeks. In the words of one camper,

“I LOVE CAMP!”

One camper gave their life to Christ after several conversations with one of our camp speakers. Praise God who has continually provided for this ministry and has worked through the staff over the years!

Thank you to everyone who gave their time, talents, and treasures to help us provide these campers with the best weeks ever! Another huge thank you to our staff, who worked diligently and lovingly to care for our campers, showing the love of Christ through their words and actions. We cannot wait for next year!

“Religion that is pure and undefiled before God the Father is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world.” — James 1:27

Beyond the Campfire: Our Other Programs

While Camp 1:27 is a highlight of our year, your support allows us to serve foster children and families all year long:

- **Partner Homes:** We continue to support local foster homes where children receive stability, love, and guidance.
- **Transitional Living:** Young men who have aged out of foster care are finding hope and independence in our two-year residential program, where they gain life skills, job experience, and continued education.
- **Workmanship Initiative:** Our trauma-informed, evidence-based curriculum is empowering foster teens with tools for adulthood — covering everything from financial literacy to emotional resilience.
- **Katie's Kloset:** We provide children in foster care with access to new and gently used clothing, shoes, toiletries, and essentials — all at no cost. It's one more way we remind them they are seen, valued, and cared for.

Thank You!

Everything we do is rooted in our mission to reflect the love of Christ to children and young adults in foster care — and none of it would be possible without you. As summer winds down, our hearts are full. We look ahead to the fall with hope, knowing that you are standing with us.
